SharePoint Learning Hub

A dark & techy landing page that teaches users how to use SharePoint — step by step.

Hosted on GitHub Pages and embedded into SharePoint via an iFrame.

🚀 How to Deploy (GitHub Pages)

1. Push this repo to GitHub
2. Go to **Settings → Pages**
3. Under **Source**, select **Deploy from a branch**
4. Choose **main** branch → / **(root)** → click **Save**
5. Wait ~60 seconds — your site will be live at:

```
https://<your-username>.github.io/<your-repo-name>/
```

🔗 How to Embed in SharePoint

1. Copy your GitHub Pages URL (above)
2. Go to your SharePoint site → Edit the page
3. Click + → search for **Embed** → select the Embed web part
4. Paste this code (replace the URL with your own):

```html
<iframe
  src="https://<your-username>.github.io/<your-repo-name>/"
  width="100%"
  height="950"
  frameborder="0"
  style="border:none;">
</iframe>
```

5. Click **Republish**

📁 Files

File	Purpose
`index.html`	The full landing page — all CSS and JS are inline, no dependencies
`README.md`	This file

✏️ How to Customise

All content is in `index.html`. Key sections to edit:

What to change	Where to find it in the file
Site title / logo	Search for `SP Guide`
Hero headline	Search for `Stop Struggling`
Pain point cards	Search for `pain-grid`
Feature cards	Search for `feat-grid`
Step-by-step guides	Search for `guide-item`
Quick tips	Search for `tip-card`
Brand colour (cyan)	Replace `#38bdf8` with your colour

🛠 Tech

- Pure HTML, CSS, JavaScript — zero dependencies
- No build tools, no npm, no frameworks
- Works in all modern browsers
